Becoming a Foster Grandparent Volunteer

You have the experience, wisdom and knowhow to make a difference in the lives of the youth of your community by being a volunteer grandparent. Organizations that serve our children public/private schools, head start programs as well as after school programs are in need of your services.

The Community Teamwork Foster Grandparent Program will match your talents and interests to the needs of our children. You can help by giving anywhere from 15 to 40 hours a week. Together we can build a stronger generation of children and a better community, for ourselves and our neighbors. Through your gifts of time and talent, you can share something

And remember: When you volunteer, you're not just helping others—you're helping yourself. Volunteering leads to new discoveries and new friends. Plus, studies show that volunteering helps you live longer and promotes a positive outlook on life. So get involved, and join Foster Grandparents today!
