

ARE YOU STRUGGLING WITH RENT OR MORTGAGE PAYMENTS BECAUSE OF COVID-19?

Department of Housing and
Community Development

There are eviction protections and financial programs available to help.

Here is what you need to know about the eviction and foreclosure moratorium in Massachusetts:

- Right now in Massachusetts, there is a state-wide moratorium, or temporary pause, on evictions and foreclosures.
- This temporarily stops all non-emergency evictions and foreclosures for all types of households **until October 17, 2020.**
- **You still need to pay rent.**

If you are struggling to make rent or mortgage payments, there are resources available:

VISIT: www.mass.gov/CovidHousingHelp to learn more about state financial aid programs for eligible households.

CALL: 2-1-1 to connect with housing resources.

Talk to your landlord to create a plan - do this early!

It is important to use your best efforts to obtain rental assistance, and to pay as much rent as you can before the protections under the Massachusetts eviction moratorium expire.
