

Green Glitter Slime

Just in time for St. Patrick's Day

Ingredients

4 oz. clear glue

4 oz. water

4 oz. liquid starch

Green food coloring

Gold glitter

Directions

1. Mix 4 oz. of clear glue with 4 oz. of water until well blended.
2. Add food coloring and glitter and mix thoroughly.
3. Add liquid starch last and mix until slime begins to form.
4. Then knead and mix with your hands until everything is well combined.
5. Store in a sealed bag or airtight container.

NOTE: Instead of glitter or in addition to it, you could add small googly eyes.
